

Clinical Orthopaedic Physician Assistant

Job Description

Colorado Springs Orthopaedic Group has an amazing opportunity for an Orthopedic Physician Assistant in beautiful Colorado Springs, CO. This opportunity is with a successful, busy, fellowship-trained physician in the treatment of sports medicine injuries and disorders of the shoulder. His treatments involve both surgical and non-surgical options. If surgery is deemed necessary, he focuses on minimally invasive techniques. In addition, he has a significant interest in biologic treatments including platelet-rich plasma (PRP) and stem cell injections. This is a full-time salaried position with a production bonus.

Colorado Springs Orthopaedic Group is a very busy and fast paced practice. We are looking for candidates that are motivated to work hard and can adapt to a fluid and changing schedule. We are seeking an Orthopaedic Physician Assistant to provide primary health care and perform selective medical services under the direction of practice physicians. Come join a remarkable team, where quality care meets quality service, where we work together to deliver outstanding patient experiences.

This Orthopedic Sports Medicine Physician Assistant position offers:

- Outpatient Clinic - New Patients, Follow-Ups, Pre-Ops, Post-Ops (independently once trained)
- First Assist in Surgery
- Holidays Off (if not on call)
- Full Benefits Available – including Health, Dental, Vision, Life, Short and Long Term disability, CME, 401(k) and PTO

The Orthopedic Physician Assistant will have the following requirements:

- Candidates need to be self-motivated, organized, possess detail-oriented work ethic with compassionate care-giving, have excellent time-management skills, be proficient working independently and in a small team environment.
- Candidate must be able to use and/or learn EHR systems quickly.
- National certification as a Physician Assistant (PA-C)
- Certification of Physician Assistants (NCCPA)
- CO State Licensure
- DEA Registration
- BLS through American Heart Association or American Red Cross
- Highly prefer 2 years orthopedic experience

Job Location:

Colorado Springs is located an hour south of Denver! The Springs is home to the Olympic Training Center, Garden of the Gods National Landmark, and Pikes Peak, a majestic 14,000-foot mountain. We have world class hiking and mountain biking in town, and we are only 2 hours from many of Colorado's famed ski resorts!

Independent full-spectrum Orthopedic Clinic committed to promoting a culture of service excellence through the expertise & integrity of our staff and physicians.
