Thank you for choosing Colorado Springs Orthopaedic Group as your orthopedic provider. We are committed to delivering outstanding healthcare and customer service. The following is our current financial policy.

# FOR PATIENTS WITH HEALTH INSURANCE

Colorado Springs Orthopaedic Group will submit an accurate claim to all contracted insurance as a courtesy to our patients. This will require information to be provided by the patient at each visit to ensure timely payment processing. Should the patient not provide accurate insurance data, the bill will become due by the patient at the time the insurance denies payment.

**Colorado Springs Orthopaedic Group CANNOT** waive copays, deductibles, coinsurance, or non-covered service amounts defined as patient responsibility under the terms of our contact with your health insurance. Patient copays are expected at the time of service.

## FOR OUT-OF-NETWORK PATIENTS

In cases where Colorado Springs Orthopaedic Group is not recognized as a participating provider and considered Out-of-Network (OON), Colorado Springs Orthopaedic Group may elect to notify and provide full disclosure upon submission of a claim to the patient's insurance carrier that Colorado Springs Orthopaedic Group will offer a discount to the patient as their insured member. Colorado Springs Orthopaedic Group will bill the patient's insurance carrier its full charge and then discount the patient portion of the payment to usual and customary as defined by the insurance carrier. Should the patient's insurance carrier offer payment to Colorado Spring Orthopaedic Group at the discounted rate offered to the patient, Colorado Springs Orthopaedic Group will accept the payment from the insurer as payment in full. At no time, is Colorado Springs Orthopaedic Group charging two different prices for the same service, nor is pricing based on the fact than an insurance company may be paying for all or a part of the service rendered. This is not a waiver or a discount of any copayment, coinsurance or deductible amounts owed for services rendered and is not offered and should not be interpreted as an "inducement" to have services rendered.

I authorize Colorado Springs Orthopaedic Group and their billing company to negotiate, discuss, and in any other way, communicate with my insurance company in those areas relative to OON reimbursements, methodology used in OON negotiation and affair negotiation of final payment. I authorize Colorado Springs Orthopaedic Group and its billing company to accept or reject agreements, to enter into contracts binding upon final adjunction of claims and negotiations, and to act in whatever way necessary so as to accomplish that which is being undertaken.

# FOR AUTO ACCIDENTS/LIABILITY PATIENTS

Colorado Springs Orthopaedic Group does not bill third party insurance.
