

Dear Patients and Colleagues,

It has been my true pleasure and privilege to provide orthopaedic care to the Colorado Springs community and surrounding areas since 2003. I am deeply honored by the trust so many of you have placed in me—allowing me to care for your injuries and, in many cases, returning years later for help once again. Getting to know you and hearing your stories has enriched my life more than I can express.

Over the years, I have also had the opportunity to mentor high school students who spent time shadowing me in clinic and the operating room to better understand what it means to be an orthopaedic surgeon. I always told them that I have the best job in the world—and that the key to a fulfilling career is finding work you genuinely look forward to each day. It has been especially rewarding to see several of those students go on to become physicians themselves.

After 23 years in a profession I truly love, I am announcing my retirement. It has been an incredible journey. I leave you in the capable hands of the Colorado Springs Orthopaedic Group, where 16 outstanding surgeons across all orthopaedic specialties will continue to provide exceptional care.

Thank you for allowing me to be your orthopaedic surgeon. I wish you all the very best in life.

Sincerely,

Christopher Jones, MD
